*"... looking to the future,
remembering the past."*

It is that time of year again! MainStreet Tucker Alliance is hosting our Annual Street Festival. We are looking forward to a fun filled day. Our theme this year is "Blast from the Past". We will be opening a time capsule from 1958 during Tucker Day in addition to the live music, food, arts, crafts, parade, children's activities and games. This year, courtesy of DeKalb Medical, a full day Health Fair will be available.

We depend on the Tucker Community to make Tucker Day a success. We need your help.

MainStreet Tucker Alliance is a 501c3 not for profit corporation and staffed only by volunteers. MTA is dedicated to the revitalization of Tucker's Downtown Core Area. Proceeds from this event will be spent in this area only. MTA has been working diligently with DeKalb County on revitalizing this area. Although the streetscape concept has been accepted and approved, we will fall short in funding to get the entire project completed. A revitalized downtown brings renewed interest and business. Your participation as a sponsor confirms your commitment to the Tucker Community.

Please complete the form below and indicate your level of participation. Your check and form must be received by April 15, 2008. We must have enough time to prepare banners and print material.

Thank you in advance. We look forward to seeing you on Tucker Day.

Please make check payable to MainStreet Tucker Alliance and mail to address above.
